

SPRUL : as defined in UD (Urban Dictionary) : To go on about some theory which in most every case makes all the more sense than anything you probably thought that day.

This is a Sprul- *Life Is The Coffee*

*Now consider this: Life is the coffee. And the jobs, houses, cars, things, money, and position in society are the cups. They are just tools to hold and contain life, and the type of cup we have does not define the quality of life we live. Sometimes, by concentrating only on the cup, we fail to enjoy the coffee God has provided us.*

*A little ditty about the artist SPRUL:*

*I am a multidisciplinary artist that works primarily on canvas. I take a multi-genre approach toward subject matter, with content in biomorphic and sublunary images, as well as an in depth pursuance of the abstract form.*
